STAT

Dear Mr. Dulles.

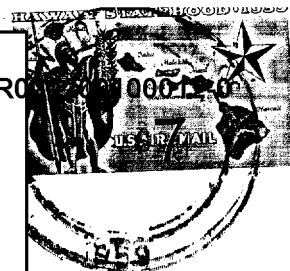

As a collector of books on WW II I read one recently called "The Scattered Thread" by Donald Downer of the O.A.A. The odd thing is this book was published in England (publisher Wm. E. Verschoyle) and not the United States. Why I do not know, as it is the best that I have read so far. Could you please tell me what ever became of the author, is he still with the government.

Sincerely yours

George P. Farrell

P.S. I pray for you brother ever night, and
know that my efforts will be on your side.
